Dear Mr. Baker —

A mate from a Concerned Citizen to thank you for accepting the position as Chief of Staff to President Reagan.

I have been saddened by the recent events that have emanated from the White House and felt a great sense of relief

yesterday to know that
someone I trust will be
advising the president.

Although I am a
Democrat, you have had
my respect and trust
in your past role in
the Senate. Unfortunately,
for the Republican Party,
Bryan were the only
presidential candidate that
I would have crossed
party lines to vote for!
I hope that opportunity
arises for you again in
the future.

I wish you well in
your role as Chief of Staff
and hope that your
presence will have a
positive effect in gaining
a measure of trust and
pride of Americans toward
the present administration.

Sincerely
David Dickinson

Dear Senator Baker,

Thank you for accepting the Chief of Staff position in the Reagan administration. I have followed your career since Watergate days and admire your good sense and wit. The remaining two years of this administration are very important for the improvement of our society and there is no one that I trust more to help the president than you.

I am writing because the president last night suggested that you have sacrificed your own presidential aspirations to the heavy responsibility and schedule of the Chief of Staff position. I hope this is not true. Although I am a Democrat and live in Cuomo and Dukakis country and respect these men I feel that they do not have the mettle, experience and wisdom that you demonstrate. Indeed not one of the potential candidates is my choice as leader. Please consider me a contributor and supporter if you choose to enter your name in the primaries. Your integrity is such that I feel you would not have to personally campaign until after you received the party nomination.

Yours Respectfully,

Christopher Derby Kilfoyle

Dear Mr. Baker,

Howard Baker as Chief of Staff?
How wonderful for the Republicans!

I'm a former Tennessean who has never voted for a Republican for a major office and probably will die with my record intact. However, I am so thankful that you are now running our country. Reagan almost gave away the store in Iceland, but with you in the White House, maybe we can have real progress in reducing the nuclear threat. I know there will be no more Iron-scams with you in charge.

Howard Baker as Chief of Staff!
How wonderful for the country!

Best wishes,
Cary H. Wolf

Dear Mr. Baker:

Congratulations on your appointment. If anyone can pull it off, you can. My biggest disappointment is that you are the only Republican a lot of us could have voted for for President. We all hated the right extremists with their

Prayer in school, anti-abortion, religious zealots etc. I voted for Reagan for his economic policies, but the length of time he's been in office has brought to much power to the bigots & extremists in the party. You, as shown on the Watergate panel, are the most moderate, fair, intelligent Republicans there is. I hope they draft you for the nomination anyway. Sincerely, Patty Glomski

Dear Sir:

Congratulation to your accepting
the position of "Chief of Staff" to
President Reagan.

Ever since I had, in the 1950th
the privilege to meet you in your
Attorney's office, when I was Health
Officer in Scott County, I have been
your admirer. Then, you were trying to
acquire for the Scott County Health
Department a Public Health Nurse.

Later as the Majority Leader of
the Senate you were a most eloquent
member of the Watergate investigations.

I wish, that some day you may
become our President.

Dear Senator Baker,

As you will recall, you and I, as fellow Tennesseeans, first became acquainted at the annual meeting of officers and directors of the United States Steel Corporation in February of 1985. I enjoyed very much the opportunity of exchanging views with you that night and have followed your actions with great interest since that time.

It is in that light that I take this opportunity to wish you great success in your new position. We all realize, as concerned citizens of this country, that the office of the President was beginning to fall upon troubled times. Your acceptance of the President's appointment, combined with your outstanding credibility with both sides of the Congress, will contribute greatly to the restoration of what has been a strong period of growth for the American people.

With best regards,

Tom Sterling
